HANDICAPS FOR ATHLETES.

How the Men Will Start at the D. A. C. Meeting.

MAHER IS NOW CONSIDERED TO BE A RANK QUITTER BY ALL.

The National League Adopts a Schedule and Adjourns.

A VARIETY OF GENERAL AND LOCAL SPORTING NEWS.

The fourth annual indoor meeting of the Detroit Athletic Club occurs at the Detroit Rink to-morrow night and it will, in all probabilities, be the most successful the club has ever had. The entry list is larger than that in any year and there is all the more reason why some excellent talent should be discovered in the competitions undertaken for this date. The time was when the club had to depend almost entirely on its own resources at these meetings, but now the Y. M. C. A. and M. A. A., of this city, contribute many to the list and outside clubs which have sprung up since the D. A. C., and along their best men. The delegation of Buffalo athletes would have been larger but for the fact that regimental games are held in that city on the same night.

It is the intention of the officials to run the games off as rapidly as possible because the number of contestants is so large, and this intended will necessarily make it long. The handicapping has been done to give all a fair show and will make the races even. In addition to the athletic features of the programme the D. A. C. Minstrels, Mandolin Club and will furnish music and Engineers' Orchestra will be in attendance. The advance sale of tickets assures a large attendance and the officers of the club are in good spirits. Following is the handicap:
