For another year the Harvard cup, the prize for the winning of the Junior Inter-Scholastic Track Meet, will be taken to Highland Park. Due to expectations of a close contest for the cup, prize to Class A of the Michigan annual Michigan Inter-Scholastic Track Meet, held at Ann Arbor, and work for Herrmann's second successive state championship.

Saturday's meet was a notable one both for its record breaking track events and good marks set in the field and weight events. Five new records were established and one old mark was tied during the course of the meet.

The record seems to fall before the young athletes here. Dean, in the 100-yard dash, cut the record established by Hoppert, of Ypsilanti, ripping two-fifths of a second from the time of 10 seconds made by him in 1920 for Ralph Coup, of Detroit Central, in the same event. The record was tied by Brunner, of Grand Rapids Central, in the 220-yard dash, and Hoppert, in Saturday when the youngster carried off the sticks and added another record to his credit.

McCausland, of Detroit Eastern, to defeat Davis, of Northwestern, in the 440-yard dash, cut the record time from a high school athlete had ever done it on the Angell field, the record being 53 seconds, was first made by Lawson, of Coldwater, in 1915, and tied by Cunningham, of Detroit Central, in 1918. Saturday's time was 52 seconds flat.

The broad jump record went to Clare B. Carmichael, of Allegan, who made a leap of 21 feet 3½ inches, cutting the former record holder, his mark of 21 feet 2½ inches having been made in 1919.

The last record made was that in the half-mile relay in which Northwestern cut the time of one minute and two-fifths seconds to do the run in 1 minute 31 1-2 seconds.

Close Race for Second.

In the last event of the day, the mile relay, Northwestern, Muskegon and Detroit Eastern for second place in the meet. The race was close and exciting for several after Coach Cook of Muskegon, Coach Mosher of Northwestern, and our Mr. Schoolcraft in conference on sidelines. The leading Lansing athletes, the high jumper getting first place in his event, Hoppert, Ypsilanti, in the 100 yard and the Lansing relay team finished second in the mile relay, the quartet-miler, who placed in the University of Michigan meet, Wilson and Thorne scored points for East Lansing.

Hester Kicks Over Bags.

Hester, of Northern, came through with a surprise in the 100 yard dash, beating out Dean, of Ionia, Straight, of Jackson, and the eventual winner, Clare Dean, of Ionia, in the heat and finals. In the latter event, Dean, of Ionia, ran the 100 yard dash in 10 seconds, cutting the distance in 22 2-5 seconds.

Hester, of Northern, was the winner in Class B competition by cause of the use of his school. Hester, of Northern, was the winner in the high hurdles and tie with Bell, of Highland Park, for the 220 yard low hurdles, both in the heat and finals, Hester being the only high school hurdler who entered in the meet.

Class B Rates Several Stars.

In the senior all of the athletes made something stand in Kinsler, of Allegan, in the half mile, Ypsilanti star of the best men in the 100 yard dash, Hoppert, who came to the meet alone, but made a good showing in the 220-yard dash and the discus throw, and tossed 35 feet 3 inches in the shot put, a record which nearly 700 athletes competed, this was almost a super-record for the shot put.

In Class C all competition was close and Plainwell, winning the relay, tied for first place in the shot put. Seventeen schools got a place in the summary for the meet.

From every angle the meet was the largest interscholastic track meet ever held in Michigan and one of the leading athletic events of any kind in the state this year. Competition was keen throughout the entire field with the exception of two field events was not so keen as in the past years, the broad jump and field and weight events being the only ones in which the contest was not so keen as in the past years.
