The Berlin Long-Distance Foot Race.

Berlin, June 1.—One of the competitors in the foot race from Berlin to Vienna was found lying on the ground in an exhausted state 100 miles from this city. Many of the competitors have arrived at Zittau in a pitiable condition. The vegetarians who were among the contestants became lame and abandoned the struggle.

Rain Interfered at Jackson.

Jackson, June 1.—(Special.)—Rain to-day interfered with the field day exercises of the Inter-Collegiate Athletic Association, but an effort will be made to carry out the programme to-morrow morning. There are a few leading students and their friends in the city to-night and they have taken possession of the town.
