THEY MADE GOOD TIME

HIGH SCHOOL ATHLETES DID WELL ON FIELD DAY.

YOUNG KITTLEMAN EXHIBITS A FAMILY TRAIT.

THE MAYOR'S SON IS ALSO HANDY ON TRACK AND FIELD.

After the Games the Detroit Boys Beat Ann Arbor at Baseball.

The tenth annual field day of the Detroit High School Athletic Club was held on the Detroit Athletic Club field yesterday afternoon and proved the most successful event yet given under the auspices of the club. There were 2,000 or 3,000 persons in attendance and the winners were applauded in a manner reminding followers of local track athletics of the days when John Owen or Harry Jewett sprinted away from a field, or when Fred T. Ducharme beat the whole outfit over the hurdles. The seating capacity was taxed and in the assemblage were the fair maidens of the school, boys who are not proficient in athletics, parents and teachers, all cheering on the victors. The contests in all the events mount more than a mere dual affair contests, as the winners are to meet the pick of the state high schools at Lansing, and Detroit is ambitious to carry off a lion's share of the prizes.

Attention naturally centers in the sprints in which W. H. Kittleman showed himself a capable member of a family of fast men on the cinder path. In the first trial he ran a dead heat with Charles Widman and after Hazen S. Pingree, jr., had taken the second trial with Frank Renaud second, young Kittleman beat Widman in a close finish in the final. Kittleman is a good runner and has a nice way of going. He did not start in the furlong run which Widman won from Pingree in the stretch. Harry Walker was in front as they turned into the stretch, but fell and Widman and Pingree came home neck and neck of it to the tape. The quarter mile run was easy for young Pingree, who beat Robert Humphrey handily. Frank Mera won the half mile run from Leo Weiss without much exertion, Roy Ellis dropping out in the last half.

The bicycle events were interesting throughout. Wareham Baldwin was the best of them all and the chances are he would have won four in succession but for the accident in the two mile race. Hatch gave him a good race in the quarter, but could not stand the pace in the half. In the mile he made, Baldwin extend himself at the end, but was beaten off three lengths at that. The two mile race saw them on the sixth lap at the tennis courts with E. Fraser in front, when George Goodale ran into Baldwin, Hatch and Ray Mattison beside spills. Baldwin and Mattison jumped up and tried hard to get her, but no chance. The judges gave Fraser first and Baldwin second on account of the foul.

In the field games Leroy King was best at heavyweights and John H. Prentis won the broad jump. McArthur and Mera gave a poor exhibition of pole vaulting, both being able to do better, and Pingree won the running hop, step and jump. Prentis took the high jump. The summaries:

After the track and field games the Detroit and Ann Arbor high school teams buckled in a game of baseball, which was called at 6:30. Detroit went to the front in the second, but in the sixth the Ann Arbors batted Tyler out of the box, Stewart taking his place and saving the game. Neither pitched good ball, but was poorly supported. The result of the game will put Detroit in the final at Lansing next Friday, which the boys are sure of winning. The score:

D. H. S.	A.	R.	H.	O.	A.	E.	A. H. S.	A.	R.	H.	O.	A.	E.
