MEET IS EASY FOR MUSKEGON

Coach Zuppke's Men Romp Away With First Honors at the M. A. C. Games.

D. U. S. IS SECOND AND CENTRAL HIGH THIRD

Weakness in Weights and Distance Events Puts Detroiters Out of Running.

BY H. W. BULLOCK.

Lansing, Mich., May 15.—On a field that was more suitable for water polo than for a track meet, the annual track games under the auspices of the Michigan agricultural college, were run off today. Representatives of 27 Michigan high and preparatory schools strove for honors in downpour of rain that lasted the greater part of the afternoon, and that flooded the cinder circuit, drenched spectators and athletes to the skin.

Muskegon high school, by its brilliant work in every event but the weight and distance events, obtained enough points to walk away with the meet, right under the noses of the Detroit boys, who came from Detroit Central and Detroit University school. When the last event was run off, the drenched, the tired athletes and the sorry-looking spectators had departed the scene of the battle, Muskegon finished with 41 1-2 points, the largest number won by any school in the history of the meet.

The two crack Detroit teams swept second and third respectively, D. U. S. finishing with 27 points and Central College the winning team, both of the Detroit schools were woefully weak in the weights and distance events, and it is a safe bet, from evidence in these regards that the men from the virgin old six make a Homer next year.

Honors were large performed in a remarkable fashion, considering the handicap that they were laboring under.

Five Records Broken.

Five new records were made, two broken and one was equalled. The records to go by the boards were the 100-yard dash, pole vault, hammer throw, broad jump and pole vault. Will sprague of D. U. S. ran the century dash of 10 1-5 seconds.

The prettiest race of the day developed in the 440-yard dash, in which Shaw, a lanky young man of Muskegon, was, after a gruelling race, beaten by Cook of Ann Arbor. Lap after lap the boys raced drill with one than the other, and finally Cook, the Ann Arbor man right at the leader's heels. With about 220 yards to go, on the home stretch, Shaw, the Muskegon Hoosier, set the pace at this time, spurted and so a tremendous spurt held the lead to the finish.

Lester Craig, the Central hurdler, led his team in scoring, respectable points, and the amount he won was, with one Jim Kelsey, Detroit University, the only man who kept pace with him. Kelsey, Craig and Cook were the only men in the running.

The standing was as follows: Muskegon, 41 1-2; D. U. S., 27; Central, 27; U. of M., 15; Lansing, 14; Ann Arbor, 14; Grand Rapids, 13; Traverse City, 13; Manistee, 12; Ypsilanti, 11; Detroit University, 7; Tecumseh, 5; Saginaw West Side, 5; Port Huron, 2; Lowell, 1; Ionia, 1; Alma, 1.
