

1927 Michigan HS Boys Outdoor Lists

These lists are an attempt to recreate an accurate top 10+ list for the season. It is impossible to make an archival list like this 100% accurate, but even an imperfect list will give fans a snapshot of how the season played out and who the major players were. Corrections and old results are welcome. This will be updated whenever I make important changes.

Compiled by Jeff Hollobaugh, Michtrack.org

Sources: ATL, Jim Moyes' state champs research, David Woods' *History of Grand Rapids City League*, Newspapers.com.

Needed: more microfilm newspaper research from other areas: Detroit, Flint, Saginaw, Kalamazoo, Jackson, Monroe, etc, as well as copies of original results.

Left: In a year of superstars, Cass Tech's Eddie Tolan was the best. He won the 100/220 double at the national championships in 9.8 & 21.5—on a wet, dirt track before starting blocks were allowed. In three years of prep track he won 17/18 of the city & state championships he tried for. Five years later, he would be the double Olympic champion.
