BY WALTER H. ECKERSALL.

Athletes representing Oak Park high school won the first annual indoor interscholastic meet of Northwestern university held in Patten gymnasium last night by scoring 24½ points. University high was second with 18, and Hyde Park finished third with a total of 15. In nearly every event records were either broken or tied. The field included the classiest "prep" track stars in this section and most of the races were keenly fought.

To Eugene Schobinger of Harvard school belongs the honors of the meet. He was the individual star, with a total of twelve points, incidentally being the only athlete to represent his school. He secured first place in the sixty yard high hurdles and in the pole vault, tying world's new records in both. He reduced the mark in the barriers from 8 3-5 seconds to 8 seconds and raised the height in the pole vault from 9 feet 9 inches to 11 feet 6 inches, although his winning vault was 11 feet. He tried for 12 feet, but missed by the narrowest margin. He secured third place in the shot put.

Murray Springs Surprise.

Murray of Lakeview defeated Martin of Oak Park in the sixty yard dash, which was one of the surprises of the games.

Murray covered the distance in 6 2-5 seconds, which equals the interscholastic record.

The quarter and half mile events were divided into two races each, and in both the record were beaten. Phelps of Oak Park lowered the figures in the 440 from 56 4-5 seconds to 55, and Fairfield, also of Oak Park, did the half mile in 2:10 1-5, which is five and two-fifths seconds better than the record.

Hastetlick, the second runner of University High, tied for honors in the high jump at 5 feet 8 inches, which broke the old mark by five inches.

Hyde Park took the half mile relay race in easy fashion. Hastetlick, the second runner on the University High team, was the only man to lose and cost Grand South of Hyde Park opened a big gap which Wendell Phillips was unable to overcome.

A large crowd of enthusiastic rooters turned out to see the contests. James Patten, who donated the money for the new "gym," was an interested spectator.
