PORT HURON HI LOSES AT TRACK

Too Much Johnson Defeats the Local Team

Too much Johnson spelled defeat for the track team of Port Huron high school in their meet with the field aggregation of Sarnia Collegiate Institute at Harview park, Sarnia, on Friday afternoon. The laurels of the day went to the Canadian country school with a total of 49 points scored by their team as against 41 garnered by the localites.

Port Huron carried away the honors in three of the initial four events of the day, but the prowess of the lean, agile Johnson of the Sarnia Institute turned the tide to his school's favor in the final chapter.

The Collegiate star scored high awards for his outfit in the pole vault, the running broad jump and the running high jump and he also cut the wire at the winding up of the mile relay race for Sarnia Collegiate.

In both the pole vault and high jump events he was given a hot contest by Hungerford of the local high, but he succeeded in outdoing the efforts of the Port Huron man. Johnson scaled the bar at a heighth of 9 feet 3 inches in the pole vault. Hungerford went over the 9 foot mark but proved unable to go the further distance set by his opponent.

In the running high jump Johnson leaped over at a heighth of 5 feet 11 inches, going Hungerford, Port Huron, the odd inch and a half. In the running broad jump Johnson threw a distance of 18 feet, 6½ inches, more than a foot to the good of his closest adversary.

Lenox of the local team was the leading light in the dash events. He copped the honors of the 100-yard and 220-yard sprints to a nice advantage. LeBel of the opponent team came in second in both dashes.

Middleton of Croswell, proved to be the best at the long route running events. He took first place in the half-mile and also the mile run, but as no team had been officially entered in the meet in the latter event, he points for the two events were given to the credit of the contesting teams as per their results, barring Middleton's record.
