

# 1930 Michigan HS Boys Outdoor Lists

*Ludington's Tim Quinn almost missed track season after a chemistry lab explosion put glass shards in his chest. But he went undefeated, capturing the national championship in Chicago with a brilliant finishing sprint and a national high school record of 1:57.2 for 880 yards.*

These lists are an attempt to recreate an accurate top 10+ list for the season. It is impossible to make an archival list like this 100% accurate, but even an imperfect list will give fans a snapshot of how the season played out and who the major players were. Corrections and old results are welcome. This will be updated whenever I make important changes.

Compiled by Jeff Hollobaugh, Michtrack.org  
(jeffhollobaugh@gmail.com).

**Sources:** MHSAA Bulletin, ATL, Jim Moyes' state champs research, David Woods' *History of Grand Rapids City League*, LSJ list, Newspapers.com, GenealogyBank.

**Needed:** more microfilm newspaper research from other areas: Detroit, Flint, Saginaw, Kalamazoo, Jackson, Monroe, etc, as well as copies of original results.

**Note:** the Michigan Interscholastic, in Ann Arbor on May 10, marked the first time that Michigan preps had used starting blocks. Grand Rapids Press: "The fact that all of the sprints were started from the new starting blocks bothered the boys no little. Most of them hadn't seen them before."

## 50 YARDS
