

# 1930 Michigan HS Girls Outdoor Lists

Girls competitions were rare in 1930. Usually prep female athletes had at best one competition per year, usually a county meet or a field day. Often results were reported without times or distances.

*Lansing Eastern's 1930 team. Muriel Cramer is second from left, Arlene West second from right. They were the state's fastest sprinters that year—that we know of.*

These lists are an attempt to recreate an accurate top 10+ list for the season. It is impossible to make an archival list like this 100% accurate, but even an imperfect list will give fans a snapshot of how the season played out and who the major players were. Corrections and old results are welcome. This will be updated whenever I make important changes.
