Kalamazoo, Mich., May 13.—Lansing High won a hard victory Saturday in a dual meet with Battle Creek in Class A, Kalamazoo Normal's sixth annual interscholastic track and field meet, held at Normal field today. Albion was out in Class B after a very close battle with Niles and Kalamazoo Normal for the last two events looked like the winners. When the half-mile relay terminated the junior meet, Albion had 44 points and Niles had 42.

Lansing was a decided dark horse in Class A. Highland Park and Saginaw Eastern were considered the strongest contenders. Alderman, Lansing, was victor over the Saginaw star, Brackenberry, in the 220 yard dash, and Cannon's good showing in the quarter-mile were big factors in the Lansing triumph. Twenty points in the field events and seconds in the Highland Park sprint relay quartet in the half-mile relay and broke the track record.

The only other point scored by the local high school in the meet was made by Scanlan, who placed fifth in the half-mile. The Lansing team was so strong it was able to score on the faster opponents.

Lansing, who unexpectedly took the first place in the meet, will be the first team the Battle Creek team will meet in a dual contest on the local field. This meet will be held May 26.
