PLAINWELL IS KAZOO WINNER

Individual Performances of McClean Aid in Surprise Victory.

Larger Schools Beaten by Smaller Rivals in Annual Track Meet.

Kalamazoo, Mich., May 5.—Individual prowess of McClean carried the Plainwell track and field team to victory in the annual interscholastic meet at Kalamazoo college in which 260 athletes representing 22 schools in Michigan and Indiana participated Saturday afternoon.

McClean was the individual high point winner of the meet. With the assistance of Bonnerville and Camp, who also figured heavily in the scoring, he brought Plainwell's total score to 22, nearly double that for his team's nearest competitors. McClean's individual score was fifteen.

Large Schools Fail.

Aside from the spectacular showing of the Plainwell men, the meet was marked chiefly by the disappointing totals of Kalamazoo, Grand Rapids Central, and Muskegon, teams which always have figured in the top rank for many years. Kalamazoo won only four points and Grand Rapids Central was barely saved from a blank by taking a fourth, giving it a single point.

The standings of the teams follow: Plainwell 22, Otsego 18, South Bend 17, Saginaw 15, Ann Arbor 14, Muskegon 12, Allegan 11, Jackson 11, Coldwater 11, Battle Creek 10, Highland Park 8, Nashville 8, Petoskey 7, Vicksburg 6, Niles 6, Hartford 4, St. Joseph 4, Kalamazoo 4, Birmingham 3, Gobles 1, Grand Rapids central 1.

Twenty one teams figured in the scoring, only one of the teams entered failing to figure in the record.

Two Records Broken.

Records were broken in the mile events of both classes. Weinberger of Ann Arbor, reduced the time to 4:40 4-5 in the class A event and Miller, of Otsego, lowered it to 1:01 1-5 in the class B event.

Most sensational feats of the afternoon were those of Arthur Hill, Saginaw, Arthur Hill, in hurling the javelin a distance of 161.85 feet. The event was never held in the Kalamazoo college interscholastic meets before, so the Saginaw man did not break a meet record, but it certainly was a record for the college field.
