Plainwell and Coldwater Cop High Track Carnival

West State Team Wins Meet Second Time in Succession—Twenty-four Out of Schools Win Points—Petoskey Lad Star of Day.

Twenty-four schools out of 36 which were entered scored points in the minor sections of the Michigan Interscholastic track and field meet held on College Field Friday and Saturday. The meet was the largest and most successful ever staged for Class B and C, and it is expected that the meet in which Class A schools compete Friday and Saturday of this week will be just as successful.

Plainwell, winner of the Class C title in 1922 and 1921, repeated again this year, running into first place with a total of 48 points. Coldwater, coming up strong in the field events, ousted Allegan from the position which it has held in Class B for the past two years, and won with a total of 38 1-2 points.

In Class C there was never any doubt as to the victor. Plainwell started out by scoring 13 points in the first two events, and continued to place men in every event but one during the meet. less than half as many points Morenci, finishing second, had as Plainwell, and most of the competition between teams resulted from the struggles for lower positions.

In Class B, however, Allegan was leader for some time. The strength of Coldwater in the field events, finally managed to overcome the Allegan lead, and although Allegan was winner in the relay, the last event on the program, Coldwater finished second, and lost very little of the advantage it had gained.

Petoskey Lad Stars

George of Petoskey, proved the individual star of the meet. With two firsts, two seconds, and a fourth place, the versatile athlete scored 17 of the 18 points with which Petoskey was credited. George's firsts were in the high hurdles and the pole vault. He scored seconds in the low hurdles and the high jump and a fourth in the broad jump.

The other outstanding man in Class B, was Burridge, of St. Johns, who took firsts in both the 220 and the 100 yards runs. He was largely responsible for putting his school in fifth place in the Class B competition.

In Class C, Vance of Nashville was the individual who stood out by virtue of his scoring power. Vance scored all of Nashville's 15 points, firsts in the high jump and broad jump, second in the shot put, and third in the discus giving him his points.

Camp, of Plainwell, was second high man in Class C with 14 points. Firsts in the 100-yards run and the low hurdles, second in the pole vault, and fourth in the broad jump gave him his total.

GREY LAG WINS SURBURBAN RACE

Jockey Sands Rides Him Through to Great Victory

NEW YORK, June 3.—America's champion thoroughbred, with America's leading jockey in the saddle, landed another rich plum for the Rancocas stable Saturday afternoon when the crack Grey Lag, with Earl Sande up, raced to an impressive victory in the rich Suburban handicap purse, one of the classics of eastern turf events.

Sun II. was second and Exodus was third in the mile and a quarter run.

Grey Lag did the course in the fast time of 2:03. The world's record is two minutes flat, made by the wonderful Whitney horse, Whiskbroom II., in winning the Suburban in 1921.

5,000 SPECTATORS RIOT AT RIO BOUT

RIO DE JANEIRO, June 3.—(By A. P.)—Several persons were wounded in a battle Saturday night, between spectators at a prize fight and the police and cavalry. The trouble started when one of the fighters, Gren Netto, refused to answer the bell for the third round. The 5,000 spectators immediately began rioting and wrecked the coliseum.

RAIN PREVENTS U. OF M. TILT WITH BADGERS

MADISON, Wis., June 3.—Rain prevented Michigan playing its first Western conference game of the season with Wisconsin, Saturday, and left the Wolverines undefeated during the Big Ten games, having won four straight. This is the first time in several years that a conference team has gone through the season undefeated.
