

1953 Michigan HS Boys Outdoor List

This list is not complete, but rather a compilation of records that have been found. An attempt has been made to show the top 10 performers and performances per event. Where additional marks are shown (often below a break line) that represents results that are from early research and are no longer accurately placed (ie. the 13th-listed performer in a certain event is probably not 13th—it is just that I have not deleted him from the compilation even though I am no longer looking for marks in that range).
