Northwestern Favo

ALL AROUND ABILITY MAKES COLTS STRONG

Boulevard School Boasts Sufficient Secondary Point Winners to Overcome Rivals—Cass Tech Seen as Lone Menace—Out-State Schools Expected to Cut in Heavily on Point Totals.

East Lansing, May 22—Northwestern high school, winner of the Detroit city high school track title, is favored to repeat its victory of last season by taking top honors in the twentieth annual state track and field meet to be held Friday and Saturday at Michigan State college.

The Colts found the going rough last year and only by breaking the Michigan relay record to capture this event from Detroit Cass Technical high school, did Northwestern finally emerge victorious over the Mechanics by a margin of three and one-third points.

This spring those in close touch with high school athletics consider Cass Tech the lone menace to Detroit Northwestern, but the winning score is expected to be much lower with outstate schools scoring more than they did last season.

**Fourteen Events Listed.**

The program as announced at Kelloggs crack events and six field events. The track schedule calls for the 120-yard hurdles, 100-yard dash, one mile run, 440-yard run, 220-yard low hurdles, 220-yard dash, 880-yard run and the 880-yard relay. The field events include the pole vault, shot put (12-pound), running high jump, discus throw, running broad jump and the javelin throw.

L. L. Frimodig, in charge of the meet arrangements, announces that the preliminaries will be concluded Friday morning, starting at 8:30 o'clock. The finals will be held on Saturday morning instead of during the afternoon as in previous years.

The Shepard cup, which goes to the winning team, is the most coveted trophy Northwestern already has won. Detroit Northwestern already has two legs on the trophy. Michigan State college also will donate cups to the school scoring the most points in the meet, the school record of the relay and to the individual winner in both cases. Individual medals have been procured for point winners.

**Good Sprinters Meet.**

The Shepard dash should be a close affair between Ralph Cass of Cass Tech, Lewis of Northeastern, Harper of Flint and Howell of Muskegon. Howell, who was injured in the Kalamazoo meet last year, is expected to be in good shape, as he has covered the 100-yard dash in 10 seconds flat and is a possible winner. The Cass sprinter has made the fastest time recorded for the 220-yard dash, and should win from Lewis of Kalamazoo, although it is expected that Lewis will be a close second. Lewis of Northeastern, Burge of St. Johns, and Brooks of Muskegon are the men who should make the event a real race. Last year Tulsa took both the 100 and the 220, which gives Frimodig a good sprinter.

The hurdles have no difficulty in winning the hurdle events, as Kelley of Cass, Widmon of Northeastern, and Hoffman of Muskegon are rated the best in the state. Lindner of Battle Creek, Turley of Flint, and Hoffman of Muskegon are the most prominent of the distance men in the hurdles.

**Weak Strong on Track.**

The western section of the state has some strong runners in the 440 and the 880, and up paper should be the winner of the 440 and the 880. Lewis made the best time of any runner in the 440, while Monson of Kalamazoo is the best bet in the 880. Monson has made the longest distance in 2:06.2, a record he done 24 in the Kalamazoo of Northwestern. Bailey of Muskegon, Cooper of Flint, Ben Ross, Flint sophomore, are the best bets in the 440. Grabel of Northeastern, Ross of Muskegon, and Bailey have made excellent time in the half mile. Hodge of Muskegon, won the mile last year in 4:37.4, and Monson came through in the 880 which he made in 2:06.2.

Howell of Grand Rapids South, who finished second to Parker of Northeastern last year, is usually good for his mile run. He has made the best time in the state this year, 4:37.4, which he made in the meet at Kalamazoo. Cavanaugh of Northeastern, Conger of Pontiac, Ross of Muskegon, Bailey, are other strong distance men.

Pontiac are bright for a keen contest in the shot put. Pontiac has a strong team this year. Thomas of Northeastern, Gable of Flint, Bill of Battle Creek, Arthur Hill, and O'Neill of Battle Creek, vying for honors. Thomas has made the best time in the state, with a put of 42 feet and 3 inches.

**Colts Rated Highly.**

Tulsa of Northwestern, and Widmon of Northwestern, will have a contest on the javelin points. Both have made good throws, Tulsa 151 feet 3 inches to win at Kalamazoo, and this mark should be good for the state meet. Tulsa, Widmon won last year.

The pole vault should go to the Northeastern, Northwestern, Muskegon, Battle Creek, and Northeastern, and Northern, and Northeastern of Newaygo, of Pontiac, and Kellogg of Western Normal high school, Kalamazoo, Kellogg and Tulsa have given the best performances in the high jump this year, and should be the best bet in the Kalamazoo meet.

LEADERS MEET IN FEDERATION

Auto Body Takes on Skrzycki in Feature Fray of Senior Group.

Clancy Tires and United Pretzels Struggle for Lead in Class C.

Leaders in all divisions of the Detroit Baseball Federation meet Sunday and on the outcome of these contests the pennant hopes of the contenders will be concluded to come through to the elimination series.

Four teams are now tied at the top in the senior division and these Auto Body Transportation and Skrzycki Cleaners meet to determine which team is to remain in the chase for honors.

**Suffrin in Tight Spot.**

Defeating by Auto Body last Sunday, Harry Suffrin faces another tough tussle on capital Cass Technical team, Sunday afternoon. The Cass men are footed by critics to play the senatorial round of Suffrin's team, and the battle between with Suffrin will determine local status.

Gray-Milner, last year's Recreation league champion, makes the bow in engaging Belle Isle Cleaners, Sunday afternoon. The Cleaners team has struck its stride after a poor start and the department store entry will have to be at its best to start the season with victory.

**Clancy Faces Test.**

Another game that vies with any in the city is scheduled for Sunday, the meeting of Clancy Tires and United Pretzels, unbeaten leaders in the senior division. Both teams have come through all opposition and the winner of this fracas will have a just claim to head the procession.

CLASS A.

Auto Body vs. Suffrin at Navy, No. 1; Sinton Company vs. Jefferson at Northwestern No. 2; Harry Suffrin vs. Cass Tech at Cass Tech No. 2; Fox Theatre vs. St. George I. M. at Belle Isle No. 2; Marion Pretzels vs. Cass Tech at Cass Tech No. 1; Clancy Tires vs. Cass Tech at Belle Isle No. 1; Gray-Milner vs. Belle Isle Cleaners at Belle Isle No. 1; Lone Scouts vs. Belle Isle Cleaners at Belle Isle No. 2; Belle Isle vs. Cass Tech at Cass Tech No. 2; Belle Isle vs. Cass Tech at Belle Isle No. 2; All games at 2:30 p. m.
