(Pontiac and Near Albion Bureau)

Hastings emerged from under an avalanche of broken records with 31 points to win the second annual Little Twelve track and field meet here Saturday afternoon. Marshall, with 30½, Marshall collected 28 for second place, while Lakeview, Battle Creek's entry, came in last with six.

Over 100 Compete.

An array of approximately 100 high school athletes led a concentrated assault on the conference records, that all but broke good as Hastings emerged victor. Two of the old marks went by the boards and the tenth was set in the 440-yard low hurdles, the event being run in the Little Twelve meet for the first time.

Not only did Hastings carry back the team honors, but it also had the one big star, Dale Miller, the backbone of the winning squad, took two firsts and an second to carry off individual honors. The two firsts which Miller collected were new records in the broad jump and pole vault. The six feet two new records were set by Miller and Hastings.

Rivals Make Record

The outstanding performances of the afternoon came in the 100-yard dash, mile run and pole vault. Schuler of Marshall, who was third high man in individual scoring, broke the 10 second mark in the 100 yard dash, clocking a 9.8 time, at a second slower than the state class A record and three-tenths faster than in class B mat Marshall is a class B school.

Another Marshall man, Preston, bettered the Little Twelve record in the mile run, clocking a fast time of 4.30.1. This is exceptional time for this event, falling just short of the state record. Preston has a perfect stride and runs the last 220-yards as though it was a sprint.

Wins Pole Vault

In the pole vault, Miller of Hastings, came within one inch of tying the state class B record. When he cleared the bar at 11 feet 4 inches. He later cleared it at 11 feet 6 inches after the event was finished.

Lakeview took one first place when Sauder hurled the javelin 150 feet, and a fourth place by Carnahan in the 440 dash.
