C.A.C. HOLDS FIELD DAY

119 Athletes Ready for Games at Fair Grounds

Track talent from 12 institutions numbering 119 athletes, will compete in the annual Cadillac A. C. track and field meet to be held Saturday afternoon at the Michigan State Fair grounds. The first event is scheduled to get under way at 2 p. m.

Cadillac A. C., sponsors of the meet, will have a formidable squad of 31 entries, including many former high school and collegiate champions.

Colored Stars Enter

Detroit's colored stars representing the D. A. A. will be a strong threat for the team championship. John Lewis, sprinter and 1928 Olympic team member; Eugene Beatty, speedy hurdler, and Willis Ward, sensational high jumper who holds the indoor inter-scholastic record, are prospective point winners for the D. A. A. Perry Austin, distance runner, is University of Michigan's sole entrant, although several Wolverine alumni will represent other organizations.

A trio of good performers from Western State Normal should keep their school in the running for team honors. They are Nelson Schrier, high jumper; Louis Krill, sprinter, and Ray Swartz, middle distance star.

Figure on Goeriz

Roderick Goeriz, an all-round performer, should be good for many points as a member of the Detroit Police aggregation.

Lewis, distance runners, will be the chief hopes of the Y. M. C. A. team. Kenneth Burnhill, former Western State shot putter, and Noel Maxam, pole vaulter, are among the strong unattached entries.
