

# 1971 Michigan HS Boys Outdoor List

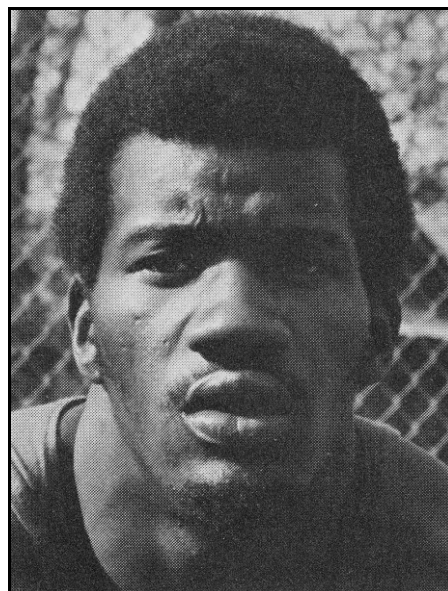

These lists are an attempt to recreate an accurate top 10+ list for the season. It is impossible to make an archival list like this 100% accurate, but even an imperfect list will give fans a snapshot of how the season played out and who the major players were. Corrections and old results are welcome. This will be updated whenever I make important changes.

**Sources:** ATL, Jim Moyes' state champs research, Waha list, TN, TFN, TFN Lists, Oakland County champs, David Woods' *History of Grand Rapids City League*, Newspapers.com.

**Needed:** more microfilm newspaper research from other areas: Detroit, Flint, Saginaw, Kalamazoo, Jackson, Monroe, etc, as well as copies of original results.

*At right: Detroit Northern's Marshall Dill won the ultimate prep honor in being named Track & Field News High School Athlete of the Year. He twice set a national prep record of 10.1 in the 100m, set a 200m national record of 20.1, and a 220y record of 20.6. His FAT mark of 20.39 was set in winning the silver medal at the Pan-Am Games—against adults, not juniors. He ranked No. 4 in the World at 200m as a high schooler!*
