Kim Morey Triple Winner In AAU Women's Track Meet

The Traverse City AAU women's track meet, postponed 24 hours by heavy rainfall that left the Thirlby track under six inches of water, was held Sunday under near perfect weather conditions and local track fans saw some of the finest women and girl athletes in the state perform. A total of 10 teams came to the city for the meet. The Striders, Lipke TC, Motor City TC and Chippewa Striders for Detroit, the Fleet Feet from Midland, the Wolverine Track Club from Lincoln Park, the S.U.S. from Utica, Michigamme from Ann Arbor, Saginaw Track Club from Saginaw, in addition to the Cinder Gals from Traverse City.

The individual highlight of the meet was the performance of Cinder Gal of this city Kim Morey in the 12-13 group, with three firsts, in the 100, 220 and long jump and the performance of Motor City Alfreda Daniels, 14 and over, in the discus. Sunday, she ran the 100 in 12.9 seconds. She currently holds the national record in her age group with a 12.5 recording and in the recent women's Olympic trials, she placed eighth against the best competition in the national, in any age group. The other first for the Cinder Gals was in the 880, with Kelly Thomas leading the pack.

Other fine efforts for the local team came from Joy Wickstrand with a second in the 75-yd hurdles and Jo Drake with a second in the 14 and over hurdles.

"We were happy to sponsor this tournament," Coach Larry Grow of the Cinder Gals Larry said to show what kind of competition our teams has been racing since we have been organized. We don't have the depth some of the downstate teams possess, but the interest shown by our group is bound to attract more girls into our local program," he added.

The meet was smoothly run, starting at 11 o'clock being completed at 3:30 p.m. The 9-and-under group competed in eight events, the 10-11 group in 10 events, the 12-13 year olds in 11 events and the 14 and older group in 12 events. A final event for all entries was an 880 yard walk a non-counter, just to give fans a chance to see the event.

Other highlights included a 'double' in the mile and 880 by Ann Forshee of the Michigamme club. She ran the former in 5:25.8, the latter in 2:36.8 a 17-3 in the long jump by Detroit Strider, Diane Neal.

Colbert Wins GMO Meet

MILWAUKEE, Wis. (UPI)—Jim Colbert is a great believer in the power of positive thinking. He also didn't want to let his father show him up too much.

Maybe that's why the 31-year-old pro golfer from Overland Park, Kan., is $25,000 richer today.

Colbert won that amount Sunday by playing "the best tournament golf of my career" to capture the $125,000 Greater Milwaukee Open crown. He fired a final round of 69 for a 72-hole score of 271—one stroke better than George Johnson, Chuck Courtney, Grier Jones and Brian "Buddy" Allin.

Three others—Bert Greene, Jim Weichers and Rod Funseth, bogeys during the 72 hole[illegible] play.

The win, Colbert's first [illegible] 1969 and only his secon[illegible] seven years on the pro [illegible] almost got away, however.

Johnson, who was seeki[illegible] win his first major tourna[illegible] and thus become the first b[illegible] to ever be qualified for [illegible] Masters, scrambled back [illegible] five strokes off the pace a[illegible] midway point of the final r[illegible] and nearly got a playoff-fo[illegible] birdie on the 18th.

But his 10-foot putt lipped [illegible] cup and he had to settle [illegible] second.

Allin almost birdied the [illegible] also, chipping his third sh[illegible] the pin. But the ball hit the [illegible] of the cup and rolled off to [illegible] side, leaving him tied for [illegible] second spot.
