

# 1994 Michigan HS Girls Outdoor Lists

These lists are an attempt to recreate an accurate top 10+ list for the season. At this point, it is impossible to make an archival list like this 100% accurate, but even an imperfect list will give fans a snapshot of how the season played out and who the major players were. Corrections and old results are welcome. This will be updated whenever I make important changes.

Compiled by Jeff Hollobaugh, Michtrack.org (jeffhollobaugh@gmail.com).

## Sources:

Newspapers.com. Need more microfilm newspaper research from other areas: Detroit, Flint, Saginaw, Kalamazoo, Jackson, Monroe, etc, as well as copies of original results.

**Note:** The Class A official results give hand times to the winner, and show times to the hundredths for later places. Because of a "timer malfunction" the winning time was called a hand time and rounded up. It is likely the other times show exact differentials from the FAT photo, but were hand-started. All are listed as hand-times.
