

1998-99 MICHIGAN BOYS INDOOR LIST

This list includes the top indoor performances by Michigan high schoolers in any meets, both MITCA and non-MITCA. Up to the top 50 performers in each event will be included. We will publish the lists in this format in the Michigan 1999 Indoor Track & Field Yearbook. The Indoor yearbook will include full results of the MITCA Championships, as well as a summary of results from the Huron River Relays, Spartan Relays, and other major indoor high school events in the state. Other goodies will be included as well. It will be published in April.

Standards for listing in each event are noted at the bottom of each list in parentheses. Only fully-automatic times will be listed to the hundredth of a second. Note that during the unsanctioned portion of the indoor season, all athletes in Michigan competed unattached or with a club. Any school affiliations shown here for those meets have been researched for informational purposes only.

PLEASE, let me know correct school/grade information if it is not here.
Email additions to [Jeff Hollobaugh](mailto:Jeff.Hollobaugh).

Notes:

- = time en route to longer distance
- ? after school name = year in school unknown (soph, junior, etc)
