

2000 Michigan HS Boys Indoor

This list includes the top indoor performances by Michigan high schoolers in any meets, both Circuit and non-Circuit in 2000.

Only fully-automatic times will be listed to the hundredth of a second. These lists include performances from all non-Circuit meets—open, out-of-state, whatever. Note that during the unsanctioned portion of the indoor season, all athletes in Michigan competed unattached or with a club.
