Updated 3/29/2003

This includes top 10+ performers and selected top performances from any indoor meets that Michigan high schoolers participate in during the 2002-3 season. During this part of the season, grade/school information is often missing. (All athletes prior to the official start of the MHSAA season compete unattached or for clubs; school details are researched here for informational purposes.) If you can fill in some of the blanks, please email me at jeffhollobaugh@aol.com.
