

Michigan Boys Indoor 2012

Featuring the best performers and performances from the Michigan indoor season. This list shows performances from ALL meets.

Note: I track down and list school affiliations here for information's sake. No high schoolers in Michigan compete for their high schools prior to the first day of MHSAA-approved practice in the spring. In the relays, some clubs are listed with a # notation if they have runners from a variety of schools, or if I don't know of the team's composition. If I think that all four members of a relay team attend the same school, I will include their school name, even though they were competing as a club. Corrections welcome; complaints not.

Oversized tracks: Following IAAF and USATF rules, marks set on oversized tracks in lap races are not eligible for records, and are kept in separate sub-lists because of the significant advantage runners on an oversized track have. Some organizations like the NCAA have used conversions for years to equalize this situation for championship qualifying purposes, but there is no conversion that has scientific validity, because of the variety of effects the radius of the turn has depending on the height and particularly the stride length of the runner in question.

Send corrections and meet results to: jeffhollobaugh@aol.com.
