

Michigan High School Boys Outdoor List 2013

You may well get your lists faster on athletic.net, which has become one of our top sources--among others. So why these "top 10" lists? Accuracy. I keep the season's information here in a format that I need in order to compile the Michtrack All-Time Lists, which are the ultimate historical record of who were the best ever. So you will notice that we spend a lot of time sorting out windy and legal times, hand and auto, and tossing or calling attention to the questionable performances that pop up each year. Plus, I keep track of track after the state finals, so these lists will eventually include the entire summer season, from the New Balance Nationals to the various Junior Olympics and Youth meets. The numbers in parentheses after each event heading indicate the level it takes to make the Michtrack All-Time Lists.
