

2016 Michigan HS Outdoor Track Elite Girls

Includes all meets, including out-of-state events and summer events. In the speed events, hand times kept separately, because the 0.24 conversion is a bunch of hooley. We also reserve the right to put marks on the wind-aided or questionable lists if they don't seem believable on face value.

#(after time=en route time recorded on way to longer distance);
(!)=in a field event listing indicates an ancillary mark made in competition
