

2017 Michigan HS Outdoor Track Elite Girls

Includes all meets, including summer events and non-school competitions..

+ = converted time; # (after time = en route time recorded on way to longer distance); (!) = in a field event listing indicates an ancillary mark made in competition

Wind-aided lists: if there are no legitimate wind readings from the meet, I will place marks on the wind-aided list based on my best judgement. No complaints allowed if you're too cheap to buy a wind gauge for less than the cost of a pizza.

Relay names/splits: to give the athletes the credit they are due, we are trying to include relay names/splits whenever we can. Please send them, especially for top marks that might make the all-time lists. Splits need to add to the total official time, so occasionally I will add a tenth or two, usually to the first runner.
