

2018 Michigan HS Indoor Track Elite Girls

Includes all meets, including non-MITS events. Shows school affiliations and years for informational purposes, even though no Michigan athletes compete for their schools until the MHSAA season opens.

+ = converted time; # (after team) = relay team probably composed of runners from different schools, or not known; # (after time) = en route time recorded on way to longer distance; (!) = in a field event listing indicates an ancillary mark made in competition.

Relay names/splits: to give the athletes the credit they are due, we are trying to include relay names/splits whenever we can for top marks that might make the all-time lists—help us out there by letting us know. Splits need to add to the total official time, so occasionally I will add a tenth or two, usually to the first runner.
