

2020 Michigan HS Outdoor Track Elite Girls

The Year of the COVID-19 Pandemic means that competition as usual is not possible. However, in keeping with our mission to preserve the historical record and present a snapshot of how the top-level athletes in our state are performing, we are listing all reported marks.

* = Because of the pandemic, many of the best marks came in time trials, exhibitions or “virtual” online meets. They will not be carried on the main body of all-time lists because they weren’t officiated by certified officials in competition conditions. But they are listed here, because they are historically important.

For time trials without video evidence, we reserve the right to not list anything we have doubts about.

PLEASE give us hand times rounded up to the tenth if possible. Unless you somehow manage to use fully-automatic timing, in which case we’ll list them to the 100th.

+ = converted time; # (after time = en route time recorded on way to longer distance); (!) = in a field event listing indicates an ancillary mark made in competition.

Relay names/splits: to give the athletes the credit they are due, we are trying to include relay names/splits whenever we can for top marks that might make the all-time lists—help us out there by letting us know.

To make corrections: send a note to jeffhollobaugh@aol.com
