

2021 Michigan HS Indoor Track Elite Boys

Includes all meets, including non-MITS events. Shows school affiliations and years for informational purposes, even though no Michigan athletes compete for their schools until the MHSAA season opens.

+ = converted time; # (after team) = relay team probably composed of runners from different schools, or not known; # (after time) = en route time recorded on way to longer distance; (!) = in a field event listing indicates an ancillary mark made in competition.

Relay names/splits: to give the athletes the credit they are due, we are trying to include relay names/splits whenever we can for top marks that might make the all-time lists—help us out there by letting us know. Splits need to add to the total official time, so occasionally I will add a tenth or two, usually to the first runner.

For affected events, oversized track (300m) marks are separated from the main list as they are not eligible for World, American or State records.
