

2026 Michigan HS Indoor Track Elite Boys

Includes all meets, including out-of-state and summer competitions. In the early season, lists will not be 10-deep, as we wait for elite-level performances to reach that level. Another note for early season Michiganders: if there was a roof over your head, then the performance would be on the indoor lists.

Unlike Milesplit or Athletic-net lists, questionable and suspicious marks are separated from the main list, as they are not eligible for all-time list or record consideration.

+ = converted time; # (after time = en route time recorded on way to longer distance); (!) = in a field event listing indicates an ancillary mark made in competition.
