

The Elaborate Program Arranged for Field Day, Next Saturday.

Saturday next at 2 p. m. occurs the event for which so many of the young and rising athletes of Detroit have been training. Every possible arrangement has been made that the field day may be a success. The athletes will run to the music of the Fourth regiment band, which is under the leadership of Prof. Schremser. After the events a game of ball between the U. of M. freshmen and the high school nine will be played. The ladies' grand stand and balcony will be reserved free to ladies and their escorts, and the association's color—orange—will be worn by those who visit to encourage the contestants. The gold and silver medals, which are being made at Smith's, will be on exhibition in their windows during this week.
