Grand Rapids Boys Fall In Most of the Field Day Exercises.

Jackson, Mich., May 31.—The first day's exercises of the Michigan High School Athletic association field day took place here yesterday. The result was something of a disappointment to the Grand Rapids boys as not one of their number took a prize. The winners were Godsley, Ann Arbor, one mile bicycle; Thompkins, Lansing, putting the shot, standing high jump and broad jump; Eddy, Jackson, throwing the hammer and one-half mile walk; Christopher, Lansing, 100 yards dash; Fisher, Ann Arbor, one mile run.

Grand Rapids representatives in the state contests made a better showing last night than they did in the events during the day, and won everything in which they participated. A program of wrestling and sparring was given in the opera house with the following results:

Wrestling—Cook of Lansing and Dibble of Ann Arbor; Cook won. Welling of Jackson and Cook of Lansing. Cook won. Eddy of Lansing and Bartholemew of Battle Creek. Eddy won. Cogshall of Grand Rapids and Wessler of Lansing. Cogshall won. Cogshall of Grand Rapids and Sawyer of Ann Arbor. Cogshall won.

Sparring—Humphrey of Lansing and Bern of Jackson. Humphrey won.

Boxing—Humphrey of Lansing and Wheeler of Ann Arbor. Wheeler won. Jessop of Lansing and Warling of Ann Arbor. Draw.

In the club swinging Bartholemew of Battle Creek was first and Jessup of Lansing second.

Baton swinging by Heath of Grand Rapids won by default.

The exercises will be continued today.
