

HIGH SCHOOL FIELD DAY.

Bay City High School Boys Were Easy for the Saginaw Athletes.

The field sports at Union park Saturday afternoon between the four High schools of the valley were largely attended and heartily enjoyed by all. The day was perfect with the exception of the strong wind which interfered somewhat with the races. The games were for points, first in each contest counting five points, second three points and third one point. Only a few Bay City men entered in the contests and those who did enter cut no figure at all except in the bicycle races. The final score stood Saginaw eighty-six points and Bay City nineteen points.

The contests resulted as follows: Putting 12-pound shot—Elbert, Saginaw, 35 ft. 4 in.; Mason, Saginaw, 32 ft. 10 in.; H. Smith, Saginaw, 31 ft. 4 in.

There were five starters in the mile bicycle race. They loafed much of the distance and finished: Boyd, Saginaw, first; Wilson, Bay City, second; Hatch, Bay City, third. Time 3:04

The running long jump was won by H. Smith, 17 feet 1 inch; Elbert 16 feet 9 inches and Cannon 16 feet 1 inch.

Running hop, step and jump—H. Smith, 39 feet 3 inches; Elbert, 38 feet 3½ inches; Cannon, 35 feet 4 inches.

Boyd won the half mile bicycle race in 1:15 4-5; Wilson, Bay City, second, and Hatch, Bay City, third.

The 100-yards dash was very close and exciting and was won by F. G. Smith, Saginaw, in 10 4 5 seconds; Elbert second and Hood third.

H. Smith proved himself the best man in the running high jump, clearing 5 feet. Mason jumped 4 feet 10 inches and Ganschow 4 feet 8 inches.

Boyd captured the quarter mile bicycle race in 33 seconds; Van Dusen, Bay City, second and O'Donnell, Bay City, third.

Griggs won the hitch kick by touching the pan when at the height of 8 feet 5 inches, H. Smith second and Richardson third.

An accident on the back stretch spoiled the two mile bicycle race, which promised to be one of the best events on the program. The riders were paced by a tandem and when the half mile was reached the leaders collided with a barrel of whitewash which was being used by some men engaged in whitewashing the back fence. The Saginaw men were all disabled and Wilson, Bay City, finished first, with Van Dusen, Bay City, second. Time, 5:37½.

Fred Smith won the 220 yard dash, Elbert second and Sweet third. Time, 25½ seconds.

The half mile run was the last event and Greiner, Saginaw, finished first in 2:25. Bell, Saginaw, second.
