Resolutions of Respect - Mysterious Death of Anna Bismarck at Houghton - Other News.

The entries for the field day events closed last night at 10 o'clock, and General Secretary Massman was at the desk until 11 o'clock, taking names and entrance fees and giving admission tickets. There are a total of sixty-eight competitors entered for the sports, and there is a great feeling of rivalry among them. A few have entered their names who have failed to deposit their 25 cents entrance fee. Until this is paid, they receive no free admission ticket into the park, and will have to pay to get in. Fortunately, no one will be admitted without a ticket. All officers of the day will be admitted free, but they must use the general secretary for a complimentary. Following is a list of the names of the contestants and the events they have entered for:
