

## ATHLETICS.

### High School Athletic Meet in June.

An important meeting of the directors of the Michigan Inter-High School Athletic Association was held last evening in the office of Frank Snow in the Hammond building. It was decided to hold the regular annual athletic meet at Ann Arbor, June 4 and 5. The directors all favored Detroit, but the principals of the schools represented in the association refused to sanction the meeting for any other place than Ann Arbor. For a similar reason, it was decided to omit all boxing events from the programme of sports. In addition to the events previously arranged, a welterweight wrestling contest was added, as well as a mile tandem race, a 40-yard dash and a 40-yard hurdle race. It is expected that about 300 students from Detroit will attend the meet, and the indications are that it will be one of the most successful in the history of the organization.

The programme as now arranged includes in addition to those named the following events: 100, 200, 440 and 800-yard runs; one-mile relay race; 220-yard hurdle race, height 2 feet and 6 inches; 120-yard hurdle race, height 3 feet and 6 inches; throwing 16-pound hammer; putting 16-pound shot; running high and broad jumps; pole vault; tennis singles; half-mile walk;  $\frac{1}{2}$ ,  $\frac{1}{4}$ , 1 and 2-mile bicycle races; standing broad jump; running high kick, and wrestling at the following weights: 115, 125, 135 and 155 pounds. The prizes will be gold medals in all events except the tennis games, in which there will be a silver medal for a representative of each school.
