(Special to the GAZETTE.)

ANN ARBOR, May 28.—The first annual inter-scholastic meet under the auspices of the U. of M. Athletic association began here yesterday and continued today. It was decidedly a success, both financially and otherwise. Nearly every incoming train brought in athletes from various high schools throughout the state, to participate in the various events. The first delegation to arrive was that from Lansing, which included both the track and baseball teams, accompanied by about thirty "rooters." Nearly all the high schools that were entered were on hand with the exception of Ishpeming, Battle Creek and Kalamazoo. Wheaton was to represent the latter high school in the bicycle races. The Lansing and Ann Arbor High school teams started the ball rolling with a game at Regents Field before a goodly sized crowd, in which Ann Arbor was victorious by a score of 11 to 4. Their team work was gilt edged and they were decidedly in the game from the beginning. Whyte and Hodges did well in the box for Lansing, he striking out eight and giving no bases on balls.

The indoor meet at the Waterman gymnasium brought out a large crowd.

Every event was called in fast order, and there were no tedious delays. Enthusiasm was at its highest pitch, and the crowds of cheerers representing different High schools of the state, made the "gym" fairly ring with their unique and original yells. The results:

Forty Yard Dash—First heat won by Thompson, Pontiac; second heat won by Jordon, Ann Arbor; third heat won by Christopher, Lansing. Time of each heat, 5 seconds. Final heat won by Jordon, Christopher, second, time, 5 seconds.

The wrestling bouts were said to be the best ever seen at any of the High school meets, and showing excellent training on the part of the contestants.

The winners of first places were awarded silver medals, while the second best men received bronze medals.

The first event Saturday morning was the trial heats for the one mile bicycle race. The events were pulled off at the fair grounds before a fair-sized crowd.
