

Looks Like a Victory for a Local School.

Ann Arbor, Mich., May 24.—(Special.)—This year the trials were run off on Regent's field in the fourth annual interscholastic field meet held under the auspices of the Michigan Athletic Association. The day was clear, with a chilling wind. Not as good a day as would have been under more favorable circumstances.

In the preliminaries it looks as though Detroit Central High school or the University school would win the championship. Cleveland and Chicago also did well.

Qualified for the finals:
