

SCHOOLBOY ATHLETES' DAY

DETROIT I. A. L. EXPECTS BIG MEET NEXT SATURDAY.

RACE BELIEVED TO BE BETWEEN C. H. S. AND D. U. S.

DOINGS OF THE ATHLETES HERE AND IN THE STATE.

The most important event among the amateur athletes this week will be the third annual track meet of the Detroit interscholastic athletic league which will occur on the D. A. C. ground on Saturday, May 10, at 2 p. m. The championship apparently lies between D. U. S. and C. H. S. as the W. H. S. team is weak this year. The rivalry between the former two schools is intense.

C. H. S. will pin her hopes on Leste to win the sprints, as he is running very fast this year, but his old team mate R. Keeler, who will this year run for D. U. S., has not been idle and the records will have to go if he is beaten.

Hayes is Central's most likely man in the quarter mile, but he will find worthy opponents in F. Keeler and Waldron, of the University school. Nicol should win the hurdles for C. H. S. though Patterson, Ford and Colburn are doing good work in practice.

Morgan, of D. U. S., is riding well this year and is expected to land the bicycle event for his team.

D. U. S. is strong in the jumps, and Keena and Osborn will again fight it out to the bitter end in the pole vault. Garrets is expected to do great work in the weight events for Central high, while Davidson, Whiting and Pease can be depended upon to give a good account of themselves on the field.

The relay race, which is the most exciting event of the meet, is rather in doubt, as it is a test of condition and the best trained team should win.

Great interest is being taken in the meet this year and a large and enthusiastic crowd of supporters will be on hand to cheer their favorites.

Gold, silver and bronze medals will be given to the winners in each event. A handsome gold medal will be awarded to the winner of the greatest number of points, and a cup to the team winning the relay race.
