POINT SCORERS FROM DETROIT

LOCAL ATHLETES SHOULD MAKE A SHOWING AT ANN ARBOR.

D. U. S. BOYS CONFIDENT OF FINISHING NEAR THE TOP.

CENTRAL HIGH ALSO MAKES CLAIM ON SEVERAL FIRSTS.

Local schoolboy athletes will leave for Ann Arbor this morning to take part in the Michigan Interscholastic meet today and Saturday, which is held under the auspices of the University of Michigan. Despite the fact that hundreds of entries have been recorded, and that twenty-nine schools will be represented, Detroit competitors count on making a good showing. At Detroit University especially the feeling of confidence runs high. While the D. U. S. boys do not claim an winning many firsts, they bank on some seconds and several thirds, and say they will be among the leaders in the division of points. Lewis Institute is conceded the meet on all sides, and Coach Walker's cinder artists, for second place, which if landed by the same team, will place it at the head of Michigan interscholastic athletics.

Three firsts are claimed by the followers of the D. U. S. team. Patterson in the high jump, Williams in the 440-yard run, and Kaywood in the 220-yard dash, to come across the tape first. The weight men are expected to be well up, though it is hard to see how anyone will beat out Cook, the Cleveland University star athlete and weight-thrower of varsity caliber. Central High also expects to make a good showing in the weights, and Smith has cleared the pole vault, and Smith has shown great form in the broad jump. In the hurdles it will take a high-class performer to beat Shaw on the Lane, who gunts 15 yards and 220 with ease, and Patterson, who has finish somewhere. Western High does not figure strongly.

TWO SCHOOLS MAY BE BARRED AT ANN ARBOR

Ann Arbor, Mich., May 26.—(Special.)—Two of the schools that have sent entries for the interscholastic meet that begins tomorrow may not be able to compete. Manager Hayes said today.

"We have not had a list of entries, but they have not on a regular blank, which has a place for a certification by the head of the school that the men entered are eligible under the rules. We require this in each case, and as it has not been in Hyde Park and Kalamazoo. I received the regular entry blank filled out, but before the time came for closing the entries I was called up by telephone and given additional names. I informed them that they would have to send certification upon the certification of the principal of the school that they are eligible. I think in both cases of Hyde Park and Kalamazoo they are waiting until they reach here tomorrow to make the formal entry list, I was in hopes to give a complete list this afternoon, but could not.

"The meet will start tomorrow afternoon with trials in the hurdles, the dashes, quarter-mile run and half-mile run. On Saturday morning occurs the running high jump, hammer throw, pole vault, shot put, running broad jump, discus throw and football kicking contest. In the afternoon the finals will be pulled off, winding up with the relay race.
