CENTRAL WILL HOLD TRY-OUT

Athletes Must Complete Next Week to Decide Team for Triangular.

SQUAD IS STRONG ONE IN ALL DEPARTMENTS

Despite the bad weather, Central High track team has been working away each day on the D. A. C. field, slowly but surely getting into shape for their opening meet. This will occur May 11, when the Blue and White athletes will compete in a triangular meet with the teams representing Ann Arbor High school and the Michigan Military academy, at the D. A. C. field.

If the weather permits, on Friday or Saturday of next week the track candidates will be given their first real try out in the form of the annual outdoor inter-grade meet. This meet will be the means of deciding which of the candidates will be entered in the various events in the triangular meet. Head coach Jones of the track squad, has been unable to be with the boys this week, on account of sickness, but the boys have been working under their old leader, Jack Collins. Jack has been working with the runners, while Assistant has had the weight and field men under his eye. He says he is smaller how little time they have left to get in shape however and are working right along.

Widmans Boys Great Rivals.

Captain George Widman is showing his old time form in the dashes, his ankle giving him little bother now, and by the time of the meet the captain expects to have all signs of it gone and speed away. His nearest rival on the Central will be his brother, Art. The younger Widman is showing some speed for so early in the year, and promises to make things interesting for his brother. The fraternal rivalry extends beyond the brothers, and they are spurred on by their fellow members and father. At the indoor meet this spring at the Light Guard the Senior Widman, father of the pair, was asked which he would like to see win the 40 yard dash, and the reply was simply—"I don't care as long as it be a Widman."

The boys are, however, and are always trying to beat one another. Both Widmans will run the 100 yard dash as well as the relay race.

Ralph Craig is again out for both the high and low hurdles, and will be another member of the track team. Allen Gurnee will go after honors in the low hurdles and the 440-yard dash. Bob Hawkins may be there in both high and broad jump. Don James is also showing well in the broad jump, while the now ones, Stoddard and Crusoe, the latter especially showing nicely in the 100-yard event. "Scotty" Smith, the star, will be after the record in the half mile and in this will have honors to bear the honor of winning all four "Cs," as it now looks as though he will land a place on the basehall team.

For the mile run there is plenty of material, and a green, however, with Steele and Freeman showing well in practice. For the pole vault Central has two fairly good ones in Colley and Van Hoosen, who will make any of the local vaulters go some.

Strong in the Weights.

In the weights Central looks to be fairly well fortified, also, having Rooney, Crawford, Melius, Blanding and Schlissel. The first two, Wells Crawford and Jim Rooney, are best to date, and will probably stay there, unless Blanding does things. He has worked but little to date.

The team that the May 11 meet Central will go to Ann Arbor for the Michigan interscholastic of May 24 and 25, and will also send a team to Chicago on June 8, for Stagg's annual intersectional meet, which is held between the Michigan and Chicago meets at the time held by the D. A. C. meets the local field this year, instead of Bob Blase. Central will surely enter a team in this, and it is highly probable that the relay will do likewise, as it will give all a chance to decide the annual title year.

Other schools such as M. M. A., Ann Arbor High, Grand Rapids High, Plymouth High, and others, will be seen in the D. A. C. meet, the date of which will probably be June 1.

He Might Help the Browns.

Salem Briggs, Ind., April 25.—Although
