

# CROSS COUNTRY RUN

---

Central High School Track Men Take  
Four-Mile Hike in the Country  
for Practice.

---

Cross country runs are becoming popular with the high school students and yesterday afternoon 14 of them went out on a four-mile trot over a course out Michigan avenue. Ray Holden, one of the instructors at the school, is directing the runners.

The fall practice gives promise of a top notch track team next spring. Ide, Kammerer and Carroll have so far proved themselves the best men of the lot, but several more in the squad are pushing them hard for the honors.

The men that went on yesterday's run are as follows: Butler, Ide, Caro, Carroll, Bacon, Strickland, Ramsey, Kammerer, Kysor, Wade, Sweltzer, Harrington, Vosberry, Bilkerk and Holden.
