

MAY HAVE FOUR MILE RELAY RACE

**Trainer Mike Murphy Approves
of Plan Suggested by
Muskegon High.**

**EVENT MAY BE ADDED TO
FRANKLIN FIELD PROGRAM**

**Hackley Field Boys Believe Their
Quartet Would Be Hard
to Beat.**

Muskegon, Mich., December 22.—Muskegon high school track men were made glad tonight when Trainer Mike Murphy, the famous Pennsylvania director, sent word in a letter to Athletic Director Zuppke, of the Hackley gymnasium, that he will be glad to have Muskegon take the initiative in instituting a high school four-mile relay team for the annual Franklin field sport carnival. At those yearly games, Michigan has for many years in succession, landed the four-mile collegiate championship, and Coach Zuppke will have four men, Buekma, Cowley, Mann and Gillette, who will by next spring be able to negotiate the mile in 4:45, and local sporting enthusiasts think that any high school quartet of milers in the country will have to travel to defeat the local bunch. Murphy thinks that enough high schools can be secured to enter a four-mile race, although he says he would sooner have the mile high school relay filled with more entries than to add another attraction. Muskegon has taken the initiative in going after a four-mile race, and wants the other schools of the state to fall in with the plan.
