

TRACK TEAM IN MEET

**LOCAL ATHLETES TO TAKE PART
IN ILLINOIS CARNIVAL.**

**Leave Tomorrow Evening for Cham-
paign, Ill.—Expect to Win Honors.**

The high school track team have been entered to compete in the Illinois interscholastic meet to be held at Champaign, Ill. The local team and one from East St. Louis are the only squads from outside of Illinois. There are to be eighty-three teams in competition and the pace will be a fast one.

The local boys entered are Bastar in the fifty and one hundred yard dashes; Hill in running broad jump; Young in the half mile and Hubbard in the quarter mile run and two hundred twenty yard low hurdle. The boys leave tomorrow evening and leave Chicago Friday morning for Champaign. Fast work is required of the starters as the whole meet is to be finished before noon.

Sporting men and team managers have given out the fact that Benton Harbor is to be feared and in view of the fact that last year the local team took third place out of seventy-five schools at the Northwestern meet, their fears seem well grounded. The boys are busy today raising expense money for the long trip.

Champaign plans
