It was a great day for Dowagiac High school. Class spirit was high. The city was visited by crowds of young people from St. Joseph, Buchanan, Berrien Springs and Cassopolis, which sent the competing teams against Dowagiac.

The High school campus, reconstructed this spring under the direction of Coach J. C. Clarke, was in perfect condition.

The new cinder track was hard and smooth and adapted to high speed. All was surrounded by the new canvass fence which the Athletic association has just purchased with a little aid from the School Board.

Rose Butler got two firsts and a second in the throws. Toneray was also a good point getter.

Court Reed, of Kalamazoo, refereed the meet. Gus Lindsley, Lee Bonner and Horace Pray were timekeepers. Arthur Cross acted as announcer.

The Judges were A. D. Kent, Rev. R. Russell, Vere Harrington, L. Harshman and Wm. Porter.

Niles, which entertained last year's meet, was not represented, owing to trouble between the track team and their principal.

The attendance of the day was about 600. It was financially a success. After the expenses of the meet are deducted the proceeds will be divided up between the five competing schools in accordance with the number taking part.

Dowagiac was the only town represented a complete lineup. Buchanan had the next largest complete team. Dowagiac, by winning first place, carried off the handsome silver cup.

Pollock was the only boy from Cassopolis who won any thing. He made nine points for his school. Berrien Springs, with a good representation, only pulled down two points. They were very much outclassed.
