

ONLY CENTRAL AT CHICAGO

Detroit will have just one school in Stagg's interscholastic track meet at Marshall field, Chicago, on Saturday, Central high school being the representative with seven athletes. The trip was made possible for them through the generosity of the D. A. C. members, the club's directors voting ten dollars towards it, while Dave Widman, John Kelsey, Gene Bresler and Jake Mazer each donated five dollars to the fund.

The seven, under the charge of Coach Jack Collins, will leave this morning at 7:15 via the Michigan Central. The fortunate ones are Capt. Allen Garrels, Art Widman, "Scotty" Smith, Van Husen, Stalker, Don James and Stoddard. The relay team will have but three men in, and Central's will probably be Widman, Garrels and Stoddard, with D. James as the extra relay runner. The boys will participate in their regular events, "Scotty" Smith running either the quarter or mile, together with the half-mile.

The D. U. S. will not be represented, deciding to stay out when it was found that Hawkins's ankle would not allow him to compete, which knocked out the big thing D. U. S. was after, that of breaking the relay record with the two Speigels and Bob.

Chicago plans
