

FIELD DAY WAS A GREAT SUCCESS

Weather Ideal, Large Crowd Present and Contests Were all Spirited.

PAW PAW WON ALL THE HONORS

Championed the Track Club, Relay Cup and Base Ball Cup. No Records Broken.

Last Saturday was county field day, and certainly was a red letter day for Paw Paw. Nothing happened through out the day but the presence of a good weather, and it was on that day for athletic contests. The records of county sports to occur, early and by noon the streets were lined with spectators, women, boys and girls, and the center of the entire village of the county were finding in outdoor sports. It was a great success, and the day was a success and good feeling prevailed throughout the day.

The championships had been held in Paw Paw and their state Saturday was better than ever. In the contest a history was created in the event on the track course in the District House and the track gave a high count, which was thoroughly appreciated by the large number of people who came to see it.

Each of the Western state record held as before for all the events and his work was successful and as well as was intended on account of the late arrival of the boys from Boston, the contests were all held in good time.

For the contest in the house, the track cup was won by Paw Paw winning over the boys to win three points, while the girls won a about half the contest was finished.

The interest was largely centered in the base ball game between Lawrence and Paw Paw and when the game was over it seemed as though every notable person in the park was occupied. About 2,000 people passed through the gates. The local Lawrence fans were all excited, but about half of them were divided in their support of the boys.

Both teams went on the field rapidly and the contest was a good one. The boys were the victors and had four runs scored by the rubber inning. Lawrence got into the game in the sixth, however, Wilson led off in center field and Lawrence's pitcher.

The record in the afternoon in the track, where the boys had the day was won by Paw Paw. The boys were there about 6 to 8 in favor of Lawrence and the winning contestants were with enthusiasm. The game was not over, however, and in Paw Paw won the District championship in the last half of the eighth, when Lawrence led for three runs had two runs scored in the first nine of the game. Lawrence had scored the first run seen by the boys in the game. For the victory was in the hands of Paw Paw and the boys were the victors.

The contest was a success and the boys were the victors. The boys were the victors and the boys were the victors. The boys were the victors and the boys were the victors.

The Lawrence team and their contest for above, based on the fact, but there was no contest. The game was a good one, played in a gentlemanly way and was well enjoyed.

Summary: Paw Paw, runs 8, hits 1, errors 1; Lawrence, runs 3, hits 1, errors 1.

Championed Paw Paw, Relay Cup, Base Ball Cup, Lawrence, Boston, Monroe and Fish, Victor, Quantico.

A summary of the track and field events at the District game, shown of first, second and third places in the order in which competitors' names appear.

By Karl Dahl-Strawn, Birmingham, Michigan, Detroit, Cron, Michigan. Time 5-4.
