

## TRACK SQUAD.

Kanzler, Captain—Hurdles, 220, discus, pole vault.  
Kull, Manager—Broad jump, high jump, pole vault.  
Roys—Mile, 880.  
Otto—Mile, 880, 440.  
Cook—Hurdles, high jump, hammer, pole vault.  
Randall—100, 220.  
Wienke—Mile, 880, 440.  
Spencer—High jump, shot.  
Green—Broad jump, discus.  
Loveland—100, 220.  
Cooper—Shot.  
Kurtz—Broad jump, 440.  
Wickes—Hammer.  
Robinson—100, 220, shot, discus.  
O'Brien—440.  
Heagany—Hurdles.  
Fish—Hurdles.

## TRACK.

At the close of basketball, a few of the far sighted, began to get into condition for the Valley meet. The cross country club went out in snow, hail and rain, and great distance runners were developed under the care of Allan Roys, the High School miler. He succeeded in developing some material to such an extent that it is doubtful whether "Skate" can hold his own in coming events. This material is realized in the two Freshmen, Otto and Wienke, both of whom have shown decided class. Cook has now improved in everything, so that he is to be counted in every event. In pole vaulting he has repeatedly cleared 9 feet 10 inches (the top of our standards), in high jumping, he averages 5 feet 6 inches, and in the hammer and hurdles, he stands in the front rank. Cook is a Junior and will certainly make an excellent record before he leaves school. Randall, and Robinson, the colored phenom, have run the dashes in almost record time and under Coach Adams' coaching are daily improving. Loveland was showing good form but he was disabled, being hit on the head with a golf club. Manager Kull will again enter in the broad jump, pole vault and high jump, and he is sure to bring in some points. Kurtz and O'Brien have been running

the 440 yard dash, and though not equalling Wall's time, have been doing excellent work. Wickes, our heavy-weight, bids fair to endanger the hammer record, for with only a week's practice, he hurls the chained ball through many a yard. Heagany and Fish have been constantly practicing in the hurdles, and if not this year, will at least be in the points for next. Spencer, Cooper and Green, any one of whom would make a star track man, have been more attracted by baseball, thereby causing quite a gap in our ranks. With this squad we will enter the Valley meet Saturday, June 12, and if in our power, bring home another banner.

Ferdinand Adams, a former high school star and later one of Keene Fitzpatrick's best high jumpers, has worked wonders with our squad. Should we win, all credit belongs to him alone and the squad as a whole wishes to thank him for the many valuable hours he spent with us.

#### **M. A. C. Interscholastic.**

Saginaw, as in other years, managed to scrape up a few points at this athletic conclave. These lonely two were the direct result of Otto's, Roys' and Cook's work in their various events. Cook managed to get a fourth in the pole vault by clearing 9 feet 10 inches, which, considering the weather, was very good. The other point came as the result of a tie for fourth in the mile by Otto and Roys. This was their first performance of the year and considering the time (4:43) was very remarkable.

## SAGINAW HIGH SCHOOL RECORDS.

EVENT	RECORD	BY WHOM HELD	WHEN AND WHERE MADE
100-yard Dash.....	10 $\frac{3}{4}$ seconds	F. W. Adams	U. of M. Interscholastic Meet, 1903
