

TOLEDO HIGH HERE TODAY

Maumee Lads Will Meet D. U. S. Team in Dual Games.

This afternoon in the Detroit University school gym., the local school track team will meet the Toledo high school in a dual meet. The Elmwood lads figure the Maumee lads a tough team to beat and they will bend their best efforts to turn the trick.

Earlier in the week it was thought D. U. S. would be minus some of its strongest men, owing to the fact the Blue and Red basketball team was billed to play the Lafayette high school five at Buffalo. However, that game has been declared off by the Bison City people and the services of Schlee and J. Spiegel, two of the track team's point winners, will get into the fray against the visitors today.

Ten events will be contested, taking in all of the indoor events, but the high hurdles. Toledo has been beaten by Ann Arbor this year, but is said to have improved since then, and expects to give Knickerbocker's boys a tough struggle.
