the painstaking work of their teacher, Miss Harriett Farrell. Thelma Pryne was the May Queen, and Kathryn Barry, Foster Halstead, Thelma Schoeffer, Wesley Baldwin, Phyllis Miller, Percy Anderson, Esther Struble, Eugene Stoudt, Dona Wood, Don Strong, Virginia Pryne, Major Mindel, Mildred Gillett, Willie Adams, Irene Root and William Allen executed the difficult movements to music without commands.

This was followed by a concert recitation by the pupils of the fourth grade, after which the fifth and sixth grades sang "Welcome Merry Springtime." Then came "The Doctor's Bill," by pupils of the second grade. In this number a doll was seriously sick and a physician sent for. Chester Ellison, a typical physician, attired in a silk hat and a long overcoat and carrying a medicine chest, was soon at work feeling dolly's pulse and prescribing the customary dopes. Miss Bessie Burris, attired in the uniform of a trained nurse, assisted the Doctor and tried to comfort the mother and child. This number was especially pleasing and was greeted with the usual applause.

The "Wand Drill" by the first grade was well executed, and the difficult movements of the drill excited the admiration of the audience. The next number on the program was a concert titled, "I love the Stars and Stripes," by the sixth, seventh and eighth grades. Prof. Ellsworth, the grade teachers and pupils are to be congratulated upon the success attending the ed by a flower drill by Miss Wiley's pupils of the third grade. The afternoon program closed with a song engrade graduating exercises of 1909.

CENTRAL MICHIGAN FIELD MEET.

Alma High School Furnishes the Athletes Who Carry off the Honors.

Last Saturday the High School track team went to St. John's and took part in the field meet held that day on the Clinton Co. fair grounds. That Alma has the best batch of high school athletes in Central Michigan is shown by the fact that they carried off the honors with 57½ points to their credit while their nearest opponent, Ovid, secured only 29½. As soon as the news of the Alma victory reached the city the high school students prepared to welcome the boys on their return. Early in the evening students to the number of 100 or more were busy securing empty boxes for a bonfire on the school campus and every conceivable noise making device was brought out and used. It was 11:15 when the train reached Ithaca on the home trip and shortly afterward the fire was lighted which was seen for miles around and attracted the attention of the athletes when four miles away. It was midnight when the boys reached the Central school grounds on the return trip, but even at that hour they were greeted by hundreds of enthusiastic pupils and citizens. Among the first to extend congratulations to the team was Superintendent of Schools F. E. Ellsworth. During the evening the school bell was rung, the building illuminated and every available means of letting loose of pent up enthusiasm utilized. Class spirit ran high and our citizens generally rejoiced with the boys and girls on the success of the Alma High School Track Team.

Women Who Are Envied.

Those attractive women who are lovely in face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be nervous and irritable. Constipation and Kidney poisons show in pimples, blotches, skin eruptions and a wretched complexation. For all such, Electric Bitters work wonders. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at C. F. Brown's.
